

I would like to thank my core group of people for their efforts and countless hours in helping with DA Shiver Ice fishing tournament. They sent out many emails, made many phone calls and met with many people in order to raise donations. Thank You to Lori Young, Becca Wales, Sherri Kraus, Brian Stetter, Jim Skinner, Michelle Lemke and Polaris, Scott Beaupre, AnnMarie Arens, and Trista Anderson. I know they all developed a passion to make this a great event and it appears they will return next year to help again. Our group was very successful this year with over \$18,000 in prizes handed out!

Thank you to all that donated to DA Shiver. Most of the people that attended walked away with prizes. It is because of your donations that people come to such an event and return the following years. Please visit the website to look at our main sponsors and the list of all that was donated....IMPRESSIVE!!

Matt Mueller did an excellent job with the website. Many of you probably don't know all the time in upkeep that goes into organizing the tournament website and our association's website. He is always on call when something is to be added. He is typically emailed at night and the information is on the website by morning. Thank You Matt!!!

Jim Kruse, thank you for putting together the online registration. It worked well for our association's hockey registration and was just as good for DA Shiver. All of your input was greatly appreciated!

I want to thank all the people in our association that participated in promoting our tournament by inviting family, friends and fishermen. It is your efforts in getting people to the event that makes it successful! We had many people in the association help with getting the food to the event, grilling food, hole drilling, organizing prizes, transporting prizes, handing out the prizes, selling tickets, picking up garbage, helping Dean-O-Mite, getting the Biffy's to the tournament, trailers, heaters, transporting people from their cars on the four wheeler and trailers, taking care of the bonfire, weighing fish and updating the board (Thank you Tammy and Tiffany Allison) and many other things.

Thanks to Randy Keranen and Robyn Lorentzen for all the photos. Please visit the website to see the faces of all the people. There are smiles everywhere. Great success!

This year the weather cooperated and we were happy to see all the kids enjoying themselves fishing, eating, dancing, skating and playing the games that Dean-O-Mite Entertainment provided. Thank You Dean!

Thank you to Kevin Voss for handling the fish house raffle. I am sure many of you saw the Fish House planted around the Delano area. Kevin made sure it was exposed. With joint efforts of DA Shiver's group we were able to raise well over \$20,000!

***As you can see it takes a lot of people and hours to put on such a fun event.*** Please thank all the people you can and let's make this event bigger and better next year for our association!

Happy Fishing, Doug Lawman
